Amy,

Is that 9:00 am eastern? We should be able to start at that time.

The State will not be making a presentation.

Also, are you going to set up the Adobe connect link ?

We can place the presentation in the NRRB share point and you can get us started and then turn over control to Gary.

I believe that this is how some of them have been done. Thanks for all you help. CAS

Does starting at 9am work for you?

Will the state be making a presentation?
